Deadline for applying for UEFA EURO 2024 accreditation was 18 April 2024.

Media without UEFA accreditation may apply for HNS accreditation by sending an e-mail request to press@hns.family by 22 May at 12:00. Any requests sent after this deadline will not be accepted.

All requests must contain the following information:

1. Name and last name (exactly as stated in the passport)
2. Personal photograph
3. Contact e-mail address
4. Function (reporter, photographer, cameraman, technician)
5. A copy of your press badge and several examples of recently published articles (or other work) regarding EURO 2024*

*The fifth item applies only to international media outlets/representatives who have not followed the Croatian team in the past

HNS accreditation is NOT an accreditation for EURO 2024, and therefore does not grant you access to:

1. Official training session days before the match (MD-1), even if such training session is held in Neuruppin
2. UEFA media centres or city fan zones
3. EURO 2024 match stadiums

UEFA and HNS accreditation passes do not grant you access to:

- 1) Closed parts of the training sessions
- 2) Team hotels in Neuruppin or host cities

The Croatian Football Federation reserves the right to confiscate a media representative's HNS accreditation pass if they fail to comply with HNS rules and guidelines. Media representatives must wear their HNS or UEFA accreditation in a visible spot on their person during the entire time that they are located at the training ground, and they must also present an ID if a member of the security team, UEFA or HNS staff requests it.

You will be notified of the outcome of your request by 5 June at 20:00 CET. Accreditation passes will be handed out from 9 June onwards at the training ground in Neuruppin, starting 30 minutes before the beginning of each media activity (press conference and/or training session).

MEDIA ACTIVITIES

Participation at Croatian media activities in Neuruppin will be allowed only to the media accredited by UEFA or HNS.

The Croatian national team will organize daily press conferences with players, head coach and/or staff members. HNS will organize traditional press conferences, with no hybrid/virtual options. The players and the coaches will answer all questions exclusively in Croatian language, with no exceptions. International media representatives may ask their questions in English, and a translation of the players' and coaches' answers will be provided in English by the HNS media officer. HNS Media centre opens two hours before the training session, and closes one hour after the end of the training session.

In principle, training sessions of the Croatia national team will be open to media representatives for the first 15 minutes (unless otherwise stated in the schedule or via the HNS mailing list). All official MD-1 and MD media activities are organised by UEFA.

Mailing list EURO2024/HNS

For the UEFA EURO 2024, HNS will organize a dedicated mailing list for Croatian and international media where we will provide key information to the media. All interested media should apply for that mailing list by sending an e-mail to press@hns.family (no deadline for applying), and from 25 May onwards, all EURO 2024 related information will be shared exclusively through that mailing list. With your application e-mail, please send your recent work related to either Croatian team or EURO 2024 in one of the following forms:

- 1) Links to published articles (websites)
- 2) PDF version of printed articles (newspapers, magazines)
- 3) Photos/screenshots of TV footage (televisions)
- 4) MP3 recordings of EURO/Croatia coverage (radio stations)

You can apply several e-mail addresses from one media outlet, but at least one of those has to be with an official domain.

Individual interviews

All individual interview requests can be sent to the e-mail address:
tomislav.pacak@hns.family

If granted by player/staff member and HNS media department, interviews can be done live, by telephone or by e-mail, depending on a case-by-case basis. In your interview request (max two players per request), please specify key topics of the interview, planned publishing date and proposed media exposure:

- 1) For written press (print and online): position in the newspaper/website and article length
- 2) For TV and radio: programme/show and interview length
